*To the employer*

*Hi. I'm Otto, Junior Front\_End developer.*

*Glad your are reading my notification.*

*Dear employer, I got ma' head in the land of the world of coding in 2021y. Currently learning backend and meanwhile upgrading my techs skill into the front\_end. Every information about what can I do right now you can see in my portfolio, which you can find out to the left side of the resume. Am I motivated? ...Hell yeah!*

*Kind Regards  
Otto*
